About 1Care2Go

A Healthcare System That's No Longer Stressful, Complicated, And Expensive

We are 1Care2Go. A healthcare concierge service that provides members and employers with a single point of access for all their needs. Our take on healthcare services is to provide the best quality care in the most efficient way possible. We are a hybrid house call, telemedicine, and in clinic model with one and only one goal in mind: To provide a hassle-free experience. ”

- Our Mission

Healthcare the way it should be.
